

Macanta Consulting Corporate Social Responsibility Policy

Our Statement

Macanta is committed to considering the impact of our actions on the environment and local communities. Where possible Macanta will be a positive influence on the communities and the industry sectors in which it works and will endeavour to reduce its environmental impact to a minimum.

Our Policy

Macanta recognises its corporate social responsibility commitments and these are reflected in the following areas.

Business conduct

We are committed to ensuring that our business is conducted according to ethical, professional and legal standards.

Customers

Every employee is responsible for ensuring that any contact with our customers, suppliers and the public at large reflects professionalism, efficiency, integrity and honesty.

Suppliers

We regard our suppliers as partners and promise to work closely with them in order to help us achieve our Corporate Social Responsibility policy aspirations. We only work with suppliers that have values congruent to those of Macanta.

Health and Safety

We are committed to continuously improving our health and safety performance in order to ensure that the working environment is safe and fit for its intended purpose.

Community

We strive to be a good citizen wherever we operate, recognising our responsibility to work in partnership with local communities. In addition, we commit to donating 10% of our professional time in support of selected community organisations through the donation of our services on a pro bono basis.

Environment

Our objective is to reduce our impact on the environment through a commitment to continual improvement.
